

## HOUSING CHOICES

KCDC is committed to providing you with decent, affordable housing that is conveniently located near the people and things you value (family, friends, church, schools, jobs, etc.) We offer the following housing choices to help you fulfill your housing needs. You may apply for one or more of the locations listed below. However, applicants will not be housed at sites that are being modernized (MOD) until the modernization process is complete. Staff will complete an application for each location you choose.
