No applications will be accepted for the Multi-Family Housing locations and bedroom sizes as noted above. Public Notice will be provided again when KCDC re-opens the Waiting List for these properties and their specific bedroom sizes.

HUD regulations do not require a public hearing when opening and closing the Waiting List. Therefore, public notice will again be provided as stated in the prevailing Tenant Selection and Assignment Plan.

Questions may be directed via email to admissions@kcdc.org or by calling (865) 403-1100. (800) 848-0298 (Tennessee Relay Center).

The Waiting List is closing to allow for a transition in KCDC's housing software and to allow staff to attend to pre-applications that have already been submitted and may routinely close when the anticipated time for certain sized units exceeds 12 months.
